

YOUR EDUCATION

Your education level has a large effect on your potential income and can increase your access to opportunities within your chosen field.

MEDIAN ANNUAL SALARY

YOUR **EDUCATION**

Earning post-secondary degree(s) can be a big investment of time and money, but your lifetime earning potential can also increase significantly. You'll need to decide whether it is worth it.

Improve your income prospects

ONLINE COURSES

Augment traditional forms of education with e-learning opportunities. You can add to your skills by learning at your own speed, all from the comfort of home and on your schedule.
