

Treat your

CARD LIKE CASH

Treating your card like cash means using it to pay for **regular expenses you know you can afford** with money you already have

TREAT YOUR CARD LIKE CASH

DO

- Remember: your credit card transactions are mini-loans
- Pay for things within your regular budget
- Decrease your reliance on credit cards by saving up for an emergency fund

DON'T

- Pretend your credit card is access to “extra income”
- Use credit to justify extravagant purchases
- Postpone saving money simply because you have access to a credit card
